Material for comforter backs: 4 yards of 45" material (seam across middle of width)
Depending on your design of the comforter, you may need up to 5 ¼ yards for the back.

Most fabric that is considered 44/45 is actually only 42 inches wide.

A double size flat sheet is perfect for comforter backs. They can be as little as \$9.00 ea. The hems need to be opened up, but it's not a problem.

The Distribution Center carries 2 weights of batting, 96" wide.

Medium weight – .36 oz.

Lightweight weight - .22 oz.

They also request lightweight blankets with no batting.
